The Eighth IASEMS Conference

UNIVERSITÀ DEGLI STUDI DI FERRARA

DIPARTIMENTO DI STUDI UMANISTICI

Auditorium Santa Lucia, Via Ariosto 35

24-26 May 2017

Far from inviting an exclusive focus on the playtext, *As You Like It* suggests a broad framework for the eighth IASEMS conference, which aims to explore Shakespearean drama and popular culture from the early modern to the contemporary age. Topics include the rewriting and restaging of Shakespeare's plays as or in television series, cinema, music, videogames, comics, advertisements, blogs, and Internet sites.

The conference is also a tribute to Mariangela Tempera, who founded the *Centro shakespeariano* in 1982.
